Event Description

The 14th Annual Run For Your Life is a fundraising event supporting Holland Free Health Clinic.

This is a 5k run/walk for participants of all ages and abilities. The event begins and ends at Holland Free Health Clinic at 99 West 26th St, Holland, MI 49423 starting at 9AM.

Participants are encouraged to use their imagination and dress in Halloween costumes. Prizes will be awarded to the first male and female finishers and for the most creative costumes (registered participants only).

The Cause

All funds raised from Run For Your Life will be used to support free health services including dental, vision, mental health, hearing, diabetic support, chiropractic, and medication assistance for the local underserved.

Your Sponsorship

Sponsor funding is vital to the success of this fundraising event. Financial resources provided by sponsors will supplement the funds raised by the event, further supporting HFHC's mission.

About Holland Free Health Clinic

Holland Free Health Clinic is a non-profit organization invested in bettering the health of the Holland-Zeeland community and serving as a healing ministry of Jesus Christ.

HFHC provides health services to those with medical and financial need who lack adequate insurance coverage. Since 2002, we have assisted thousands in need of prescription medication, dental, vision, hearing, foot care, diabetic support, mental health, chiropractic, and spiritual care services.

Holland Free Health Clinic works in partnership with local health providers and volunteers who generously donate their time and services. HFHC has provided services valued at over \$17,600,000 to our community.

HFHC exists through the generosity of our volunteers who prioritize service to the underserved as a means to better the health of our community as a whole. HFHC consistently works to improve our services and expand program capacity to meet the growing health needs of the local underserved. We will continue to develop volunteer networks, collaborate with partner agencies and local churches, and seek funding to secure the future of our health ministry. Ongoing financial support is appreciated as we continue to provide care for our community.
